November 2021

Australians and their plans for the 2022 summer holiday¹

- Four weeks before Christmas:
 - around 40% of Australians are planning a trip these coming summer holidays
 - a quarter haven't decided yet, and,
 - the balance of around a third don't plan to go away.
- For those who *do* plan to go away:
 - 24% are planning a trip in their own state
 - 10% are going interstate (NSW and QLD being the top two destinations)
 - 5% are planning a trip overseas.

Methodology: Conducted nationally online over the period November 25-30, 2021, among a sample of 1,211 people aged 18 years and over. Results were post-weighted to reflect the population distribution for age, education, sex and area

1. Question: What are your plans for the summer holidays? (IF PLANNING A TRIP WITHIN OWN STATE, INTERSTATE OR OVERSEAS): Where are you planning to go for the summer holidays?
